FAO JOHN WALTERS
SUN ROCK BALCONIES

RE; INTERNAL AND EXTERNAL BALUSTRADE TO STAIRCASE, TERRACE AND
BALCONIES

Dear John

Now the works are complete I would like to thank you and your team for a first class job.

The works were done efficiently and by staff that obviously care for their work and the company.

The project was not straightforward and your staff had to work at different stages of the build program.

I would highly recommend your company to others and hopefully you will be undertaking more work for my company.

Thanks and best regards

Trevor
